# Story plan

Add notes to help you plan your story.

The form is a story planning template. It features a background illustration of a mountain range with several evergreen trees. The template is divided into five horizontal sections, each with a label on the left and a large box for notes on the right. The sections are: Opening, Build-up, Problem, Resolution, and Ending. Each section's box contains ten horizontal lines for writing.

| Opening | Build-up | Problem | Resolution | Ending |
|---------|----------|---------|------------|--------|
|         |          |         |            |        |
|         |          |         |            |        |
|         |          |         |            |        |
|         |          |         |            |        |
|         |          |         |            |        |
|         |          |         |            |        |
|         |          |         |            |        |
|         |          |         |            |        |
|         |          |         |            |        |
