I'm a ball of cheese  
Thrown high in the sky,  
A cow jumped over me  
In the nursery rhyme.  
I'm king of the night,  
Queen of the stars,  
I'm your next-door neighbour,  
Friends with Mars.  
I'm a wedge of lemon  
Shining bright,  
A sea of stars  
To swim in at night.  
I'm a werewolf caller  
Once each month.  
I come out at night  
And I'm gone by lunch.
