As with all food retailers our suppliers take every care to remove bones from relative products. Fish and meat products may contain bones due to the way the products are manufactured.

Support & Serve

Fresh & Local

We are all so fortunate to live in a country with four distinct seasons and the variety of fruits and vegetables this provides. It makes for a delicious, varied, healthy diet.

All meals we provide are made fresh here at St Joseph's kitchen daily. We support local businesses where possible ensuring that we can always offer a wide range of fresh, varied, local produce.

We are extremely proud of the 5* food hygiene rating we have been issued by Chiltern District Council

Our Greengrocer is based in our village of Chalfont St Peter, our Butcher is in the Thames Valley and our Pork comes from The Windsor Estate.

We cater for 14 schools each day, including the children here at St Josephs Primary. We are very fortunate to have a hardworking, loyal catering team that have a true passion to ensure that all children are offered a healthy, well balanced, enjoyable meal. The commitment from the whole team here has been proven during the past few years where there have seen many unforeseen circumstances: the team adapts to change quickly and effectively to deliver the best possible lunch service, day in, day out.

Our strong working relationships with all suppliers and delivery companies has proven so important to us. We have worked closely together to forward plan deliveries of produce, ensuring our own stock shelves are full even when the local supermarket shelves look bare.

Along with a varied hot meal, children have the option of a freshly baked potato or a healthy wholemeal sandwich with a choice of tasty fillings that is accompanied by the salad of the day and a dessert.

Our menu reflects the importance of offering a varied & healthy "home cooked" meal for all pupils every day with the chance to introduce new flavours in to their diet.

Please note that if there is an availability issue, the changes we need to make will be communicated to all schools as soon as possible
