

Chenies School Charging and Remissions Policy

Charges are applicable for 2019/20

1 Scope

This document covers two specific situations under which charges imposed by the School may apply:

- School activities organised on behalf of the children to enhance their education or support National Curriculum activities. Section 3 of this document details these areas.
- The use of the School facilities for community, education or professional purposes by persons outside of the school's staff or support teams i.e. not to include Parent's Association or Governing Body activities. Section 4 of this document details these areas.

2 Introduction

The Staff and Governing Body recognises the valuable contribution that a wide range of additional activities can make to the successful and stimulating delivery of a broad and balanced curriculum and to the self-confidence, independence and social education of pupils as good citizens.

All education or activities undertaken as part of the National Curriculum during school hours is free. Exceptions to this are:

- Individual or group music tuition provided by external suppliers
- Swimming

3 Children's Educational Activities

When organising school trips which enrich the curriculum and educational experience of the children, the school invites parents/guardians to contribute towards the cost of the trip. All contributions are voluntary.

The School will always aim to provide assistance for children from families in financial need. Parents are advised to contact the Headteacher in confidence.

3.1 Type of Trips Included

The following list of additional activities, organised by the school requires voluntary contributions from parents. These activities are known as 'optional extras'. This list is not exhaustive and should be used to indicate the type of trips classed in this way:

- Sporting activities which require transport expenses
- Outdoor adventure activities
- Theatre trips & visiting theatre groups
- Musical events
- Swimming
- Residential trips organised during school time

3.2 Reduced Contributions

Trips may include children whose parents have chosen not to or are unable to contribute towards the costs. The School will not treat these children differently from any others; they will be allowed to participate fully without prejudice. Funding deficiencies will be filled by the School where possible in order to support the visit. If the school does not receive sufficient voluntary contributions, the trip may be cancelled.

Parents have a right to know how each trip is funded. The School provides this information on request.

3.3 Charges for School Activities

The Governing Body reserves the right to make charges in the following circumstances for activities organised by the School:

3.3.1 School Journeys and Residential Trips

If the School organises a residential visit in or part of school time, which is to provide education directly related to the National Curriculum, the School will make a charge to cover the costs of boarding and lodging.

Parents who are entitled to receive free school meal provision or are in financial need will be considered for exemption or part payment (if need be) at the discretion of the Headteacher.

3.3.2 Individual Music Tuition

There is a charge for individual and group music tuition if it is not part of the National Curriculum. The peripatetic music teachers teach individual or small group lessons. The School will make a charge for these lessons; the cost must be met fully by the parents. Pupils in receipt of the Pupil Premium grant may be entitled to pay a reduced charge.

3.3.3 Charging in Kind

A charge for ingredients and materials, used by the School, will be made if parents have indicated in advance that they wish to own the finished product.

3.4 Repairs or Damages

At the Headteacher's discretion, charges will be made for the following:

- The cost of repair of school items or facilities wilfully damaged.
- The replacement of items loaned by the school and subsequently lost.

4 Use Of School Facilities

The school facilities, comprising the school hall, playing fields and hard standing play areas (for activities or parking) are considered to be valuable resources. Under circumstances approved by the Headteacher, these facilities will be offered to external parties for community, education or professional purposes.

Examples of use are as follows:

- Holiday clubs;
- Evening and weekend parties;

- After school care not affiliated to the school;
- Community and professional meetings requiring school hall facilities;
- Parking requirements for activities in the village i.e. Weddings at St.Michael's Church

Where the external party has been invited to the school to provide extra-curricular activities, an administrative charge will be afforded by the 3rd party for use of school facilities at the discretion and agreement of the Headteacher. This will be reviewed at each academic year or at the end of the agreed period i.e. A Term.

After School run clubs by teaching staff and volunteers will incur a minimum charge of £2 per child per session to cover administrative and running costs of the facilities and equipment.

The facilities and resources must be left in the same condition as initially found at the start of the hire period. Where necessary, photographs should be used before and after to detail any changes.

There is a minimum letting charge of £1.00 per child per session payable termly for any external after school club provider using Chenies School facilities.
