

Read the text and complete the activities below.

The villagers were in fear of a bandit who roamed the land, demanding people hand over their money. He was strong: he wielded his sword as if it weighed nothing at all. However, the woman was not impressed by their stories. She had had training in martial combat. She knew she could capture the bandit.

Find and copy the word that means robber or outlaw.

Find and copy the word that means to hold a weapon.

What does the word “martial” tell you about the woman’s training?

Put each word into the correct sentence.

cavalry tunic mimicked extraordinary
garrison nape cypress

“What an jewel!” she exclaimed.

Italian trees are usually very narrow.

It was scary! I had goosebumps on the
of my neck.

She wore a long tied simply at the
waist.

The was full of soldiers who were
willing to fight for their country.

Foot soldiers joined the and they
pushed forward towards victory.
