Statement detective

Sort the statements into true or false. If there isn't enough evidence in the book to tell, then group these statements under 'undecided'.

Mallory usually practised her fencing with Jared.

The book Jared found was a storybook about faeries.

The Grace children had a relative named Spiderwick.

Jared was always reading.

Boggarts are brownies' brothers.

Simon believed Jared about the boggart because they were twins.

Jared understood why the boggart might be feeling angry.

Jared put flour on the floor to annoy his mother.

Jared's mother was woken up in the middle of the night.

Jared went back to bed knowing that he would be in trouble in the morning.
